

Insurance Company, with respect to the claims that are the subject of this Amended Agreement under the Subject Insurance Policies, on Exhibit 5 of the Exhibit Book to the Joint Plan of Reorganization in accordance with Paragraph 15.4 above; or

- (f) The entry of an order by the Bankruptcy Court dismissing the Bankruptcy Case or converting it into a Chapter 7 case.

16.2. After the Execution Date, Travelers shall have the option to terminate this Amended Agreement by providing written notice of termination to Grace, the Committee and the Futures Representative within thirty (30) days of the occurrence of any of the following events:

- (a) The confirmation of a Joint Plan of Reorganization that materially and adversely affects the interests of Travelers under this Amended Agreement;
- (b) The failure of the Approval Order to become a Final Order on or before December 31, 2009 (which date may be extended at Travelers option);
- (c) The failure of the Confirmation Order to be entered;
- (d) The failure of the Confirmation Order to become a Final Order; or
- (e) The entry of an order confirming the Joint Plan of Reorganization that is not a Confirmation Order as defined herein.

Failure by Travelers to give such notice will constitute a waiver of the option to terminate with respect to that condition.

16.3. In the event that this Amended Agreement is terminated pursuant to Paragraph 16.1 or 16.2:

- (a) This Amended Agreement shall be of no further force and effect, and the Parties shall have no further obligations under this Amended Agreement, except the obligations set forth in Paragraph 22, which shall survive termination; and
- (b) The 1992 Agreement and the 1996 Agreement will remain in force and effect as if this Amended Agreement had never existed.

17. NON-PREJUDICE AND CONSTRUCTION OF AGREEMENT

17.1. This Amended Agreement is intended to be and is a commercial accommodation between the Parties and shall not be construed as an admission of coverage under the Subject Insurance Policies or any other policies issued by Travelers. Nor shall this Amended Agreement or any provision hereof be construed as a waiver, modification or retraction of the positions of the Parties with respect to the interpretation and application of the Subject Insurance Policies. Any allocation of responsibility for Defense Costs or Indemnity Payments made pursuant to this Amended Agreement is solely for the convenience of Travelers, Grace and the Trust and shall in no way affect Grace's or the Trust's rights against other insurers or Grace's or the Trust's rights to settle its claims against other insurers on an entirely different basis.

17.2. This Amended Agreement is the product of informed negotiations and involves compromises of the Parties' previously stated legal positions. Accordingly, nothing contained in this Amended Agreement or in any document exchanged by the Parties in the negotiation or furtherance of this Amended Agreement shall be construed as an admission or concession by Travelers, Grace or the Trust that any particular theory with respect to coverage is valid. This Amended Agreement is without prejudice to the positions taken by Travelers with regard to other insureds and without prejudice to positions taken by Grace or the Trust with regard to other

insurers. Travelers, Grace and the Trust specifically disavow any intention to create rights in third parties under or in relation to this Amended Agreement, except as expressly provided herein.

17.3. Except as specifically provided in this Amended Agreement, this Amended Agreement is not intended to and shall not be construed so as to vary, modify, or release any right that Travelers, Grace or the Trust may have against any Person other than Travelers, Grace or the Trust, respectively, including, but not limited to, any other insurance company for or in connection with the payment of past, present, or future Indemnity Payments and/or other sums arising from Asbestos-Related Claims.

17.4. Neither the terms of this Amended Agreement nor its negotiation, its execution or any act in performance of this Amended Agreement shall be invoked by Travelers, Grace or the Trust, or their attorneys or agents, in any proceeding for the purpose of attempting to establish or prove the acceptance by Travelers, Grace or the Trust of any particular interpretation of any insurance policy with respect to any claim.

17.5. The Parties agree, as an essential and integral part of this Amended Agreement, that this Amended Agreement and the matters contained in this Amended Agreement are not intended to be, nor shall they be, admissible or relevant in any case or proceeding to prove the acceptance by any Party hereto of any particular theory of coverage, or as evidence of any obligation that any Party hereto has or may have to anyone other than to one another.

17.6. This Amended Agreement is the jointly drafted product of arms'-length negotiations between the Parties with the benefit of advice from counsel and the Parties agree that it shall be so construed. In particular, with respect to interpretation of this Amended Agreement, the Parties waive any benefits from the principles of contra proferentem or other

principles that would result in the interpretation of any ambiguities against insurers. No Party shall be deemed to be the drafter of this Amended Agreement or of any particular provision or provisions, and no part of this Amended Agreement shall be construed against any Party on the basis of that Party's identity as an insurance company or as the drafter of any part of this Amended Agreement.

17.7. This Amended Agreement amends and supersedes the 1996 Agreement, which shall be of no further force and effect, unless this Amended Agreement is terminated pursuant to Paragraph 16, in which case the 1996 Agreement shall remain in full force and effect as if this Amended Agreement had never existed.

18. MODIFICATION

This Amended Agreement may be amended, modified, superseded or canceled, and any of the terms hereof may be waived, only by a written instrument that specifically states that it amends, modifies, supersedes or cancels this Amended Agreement, executed by or on behalf of all of the Parties, or, in the case of a waiver, by or on behalf of the Party waiving compliance. The failure of any Party at any time or times to require performance of any provision of this Amended Agreement shall in no manner affect the right at a later time to enforce the same. No waiver by a Party of any condition, or of any breach of any term, covenant, representation or warranty contained in this Amended Agreement, in any one or more instances, shall be deemed to be or construed as a further or continuing waiver of any such condition or breach, or a waiver of any other condition or of any breach of any other term, covenant or warranty.

19. ARBITRATION

19.1. The Parties agree to resolve any dispute that arises regarding the terms of this Amended Agreement or the implementation thereof (a "Dispute") by way of binding arbitration.

Unless otherwise agreed (and except as set forth in Paragraph 19.2), such arbitration shall be conducted in accordance with the Center for Public Resources Rules for Non-Administered Arbitration of Business Disputes, as constituted at the time of the commencement of the binding arbitration, and the provisions of this Paragraph. If the Center for Public Resources no longer exists, arbitration shall be in accordance with the rules of the American Arbitration Association.

19.2. In the event any Dispute arises that the Parties do not promptly resolve by agreement, either Party shall have the right to commence binding arbitration of such Dispute under this Paragraph by sending written notice demanding such arbitration to the other Party in accordance with Paragraph 20. Such notice shall briefly describe the Dispute. Promptly following any such notice, the Parties shall attempt to agree upon the selection of an arbitrator (the "Arbitrator") to resolve such Dispute. If the Parties have not agreed upon the selection of the Arbitrator by the fifteenth day following delivery of the notice demanding arbitration, then either party may request the Center for Public Resources (or if it no longer exists, the American Arbitration Association) to select the Arbitrator pursuant to its rules, provided that any Arbitrator selected by the Center for Public Resources shall be a retired federal or state court judge, with no current or prior business dealings with Travelers or any member of the Grace Group.

19.3. All such arbitrations shall be governed by the United States Arbitration Act, 9 U.S.C. §§ 1-16, and judgment upon the award may be entered by any court having jurisdiction thereof. Any such arbitration shall be conducted in New York, New York; provided, however, that this agreement regarding the venue for such arbitration shall not affect the right of any Party to assert that the substantive law of a jurisdiction other than New York shall apply to a particular Dispute.
